KAUAI REPUBLICANS NOMINATE AT HARMONIOUS CONVENTION

Governor Frear's Administration Indorsed—School and Road Funds To Be Asked—Two New Names on the List of Legislative Nominees

[Special Star-Bulletin Correspondent.] LIHUE, Oct. 1.—Kauai County's Republican convention last Saturday was a harmonious one, with very few contests developing for the various nominations. About the only fight of any importance was that between S. K. Kaoo and Attorney Kaulukou, the former being renominated finally by a vote of 34 to 20.

The platform commends the national administration and praises Governor Frear in no uncertain terms, a thing which other Republican platforms this year have not done, because of the controversy in which Kuhio has taken such a prominent part. Of Governor Frear the Kauai platform says:

"We endorse the vigorous and successful administration of Governor Frear and are proud of the results thereby accomplished for the welfare of the Territory of Hawaii."

Delegate Kuhio is highly commended and the work of the Kauai legislators and county officials lauded.

Among the important planks are the following: "We demand for the people honest, economical and efficient administration of County government by the officers thereof, and will use every effort to require County officials to spend the public money to the best advantage, and that in the building of schools and new school rooms; the building and construction of good roads within this County and other public works, the public money shall not be wasted and that competent officials only shall be engaged to control and direct the expenditures required for such purposes.

"We heartily endorse the plank adopted by the Territorial Convention regarding the public lands and their administration.

"Board of Health. We recommend the successful efforts of the Territorial Board of Health to constantly improve the agencies guarding the public health and favor such legislation as will increase the efficiency of this most important branch of the public service. We strongly endorse a continuation of the liberal administration of the public health department.

"We commend the Legislature for having made ample appropriation for the schools which enabled this county to increase its teaching force from 58 teachers in 1910 to 95 in 1912, and we ask that the appropriation be increased commensurate with the increased growth of our schools.

"We furthermore pledge our party's support for a liberal appropriation for the erection and maintenance of a high school for Kauai that our children may have the same educational advantages at home instead of having to leave the Island as they are now forced to do, and if it becomes necessary to issue bonds for this purpose we favor such legislation as will allow us sufficient funds to carry on the same.

"We pledge that our Board of Supervisors will continue to erect additional school rooms as our needs demand it.

"We pledge our Supervisors to provide adequate janitor services for the public schools and provide a stricter enforcement of the truancy law.

"We pledge our Senators and Representatives to work for an additional appropriation sufficient to erect suitable buildings for our court, county offices and jail.

"We recommend that the Supervisors install a water works for Hanalei when funds are available."

Senator—Charles A. Rice. Representatives—Hanalei, J. K. Loti; Kawaihau, R. Spalding; Lihue, J. H. Coney; Waimea, W. J. Sheldon. Supervisors—Hanalei, Mr. Menefoglio; Kawaihau, Ekekele; Lihue, H. D. Wishard; Koloa, W. D. McBryde; Waimea, Francis Gay.

Sheriff—W. H. Rice, Jr. County Clerk—J. H. Kaneakua. Treasurer—H. Morgan. Auditor—C. Maser. County Attorney—S. K. Kaoo. The Democratic ticket on Kauai is as follows:

Senator—Chandler. Representatives—Koloa, Mikaele; Lihue, Simeon Kailua. Supervisors—Waimea, Nawali; Hanalei, Joe I.; Lihue, Kanikaniha.

McLELLAN IN SEATTLE OFFICE

George McK. McLellan, formerly secretary to Delegate Kuhio and simultaneously representative of the Chamber of Commerce and Merchants' Association in Washington, has decided to make his future residence in Seattle, Wash., according to news from the northwest metropolis, and will shortly open a law office there. McLellan resigned some months ago as the delegate's secretary and has been recently succeeded by Jack Desha of Hilo, who has been attending Harvard University. McLellan will engage in general law practice in Seattle, it is stated.

CONGREGATIONS OF FIVE CHURCHES HONOR MEMORY OF GEN. BOOTH

Hundreds Assembled at Bijou in Vast Joint Memorial Service

At the Bijou theater last evening hundreds of people representing the five Protestant churches of Honolulu gathered at the union memorial service for the late General William Booth founder of the Salvation Army.

The chief speaker of the evening was Lieut.-Col. Blanche Cox, head of the local Salvation Army post, who was a close personal friend of the late general and who received personal teaching from him. This enabled Col. Cox to make an intensive study of the character of the founder of the organization.

Col. Cox was the possessor of a fund of data which enabled her to make her talk wonderfully interesting. She brought out many anecdotes of the late general's life, illustrative of his work, aims and spiritual views, together with a number of stories of personal experiences and hardships endured with him during the early days of the Salvation Army. She also related stories and incidents which were illustrative of what constitutes the work of the Salvation Army, and what is its highest aim.

"Goodness," said Colonel Cox, "was the fundamental quality in General Booth's character. In the early days many untruths were written and said about him, but the fact that he was good was never denied by any of his critics."

"Forty-seven years ago, as a small Christian mission, he started the Salvation Army, and from that developed the great organization now known as the Salvation Army, that goes out to meet those who do not attend church, the rabble in the gutters, who haven't the clothes to go to church if they would. They do not hear the church bells, but they answer to the summons of the Salvation Army drum.

"It is a fighting organization, we are fighting people, and General Booth showed us how to fight. His wonderful faith overcame all difficulties, and his last words, typical of this faith were, 'The promises of God are sure if we can but believe.' Throughout the age of doubt, when a wave seemed to be sweeping the country and about to submerge the church with atheistic doctrines, he stood firmly alone with faith in God. His highest aim was the saving of souls and during his last hours, when he lay on his bed, blind and helpless, he said 'My heart is breaking for the salvation of the world and I can do no more!'"

Lieut.-Col. Cox was introduced by Rev. R. E. Smith, who spoke highly regarding her personal ability, and the meeting was presided over by W. A. Bowen. During the service Miss Edith Rosslyn Collins sang "Boundless Salvation," a solo composed by General Booth shortly before his death. The double quartet, which furnished music was composed of Arthur Wall, J. A. Hill, George Brown, C. H. Tracy, Miss Collins, Miss Ethel Damon, S. S. Weight and C. J. Hunn.

HUNDREDS AT DEDICATION OF JAPANESE CHURCH

Fully five hundred people attended the dedication of the new Japanese Christian church on Nuuanu street yesterday afternoon. The ceremonies, which were presided over by Rev. F. S. Scudder, began at 2:30, and an interesting program of speeches was given.

The ceremonies were opened with singing, and Rev. Hori, pastor of the new church, conducted the responsive service and made the prayer of dedication. The address of the day was delivered by Rev. Doremus Scudder of Central Union Church in Japanese, and was then translated by him into English. Rev. F. S. Scudder then read a letter of congratulation from Hon. W. F. Frear, who was unable to attend the dedication. Rev. W. B. Oleson spoke in behalf of the Hawaiian Board and Rev. Akana, in place of Rev. Poai, in behalf of the Hawaiian churches. Others who made short speeches were Rev. W. D. Westervelt and Vice Consul Kurusu.

Following the dedication ceremonies the new building was thrown open for general inspection and refreshments were served in the large basement which underlies the entire church, and which is to be used as a classroom and for social purposes.

The new Japanese church has grown from small, cramped quarters to a large and inspiring edifice, and was dedicated entirely free from debt. A contribution was taken during the ceremonies to help pay for a cement sidewalk on the Kukui side of the church, which amounted to \$61.90.
